

News from the Helotes Heritage Association

Dear Readers,

This is a reminder that there will be a volunteer workday at the Parrigin Playground at 9 am to noon this Saturday November 3. The Parrigin Playground is located at the corner of Parrigin Rd and FM 1560. We need to complete clearing the property of ragweed to allow a tree survey on November 10 and November 17 that is to be conducted by a local Boy Scout as part of his efforts to become an Eagle Scout.

Please try to help for 1 to 3 hours on Saturday morning to make this park a reality. Bring loppers and gloves and wear appropriate cloths. Contact the City Secretary at 695-8877 or Ron Green, Chair of the Parks and Open Space Committee, at 316-9242, with any questions.

In support of the playground project and in an effort to solicit neighborhood opinion, Ron Green will give a brief presentation of plans for Helotes parks and the Parrigin Playground at 7 pm on Thursday November 8 at the Iron Horse Canyon Home Owners Association Annual Meeting. He is available to give this presentation at other venues if there is interest.

Sincerely,
Ron Green, President
Helotes Heritage Association
