

News from the Helotes Heritage Association

Dear Readers,

The Greater Edwards Aquifer Alliance is a San Antonio-based organization that provides leadership and guidance in the protection of the Edwards Aquifer and related environmental issues. The HHA is one of almost 40 member groups in the Alliance. GEAA holds its annual fundraiser, The Annual Feral Hogg Roast, in the fall. This year's feast will be 4 to 10 pm Saturday October 27 at the Don Strange Ranch in Boerne. This is an extremely worthy and rewarding event. Please try to support it if possible. Following is more information about the event.

Join us for the best party of the year!

[Coming from San Antonio proceed North on IH-10W, 7 miles past Boerne and take the Welfare Exit \(#533\). On the Exit road bear left, parallel to IH-10 a short way. Po Po's Restaurant will be on your right. There will be a Y in the road, stay to the right. At the dead end take a right and proceed approximately 1 mile. Turn after the three flagpoles. There is a sign that reads Don Strange Ranch \(turn right\). Kendall Creek is another mile after you take the right on the gravel road.](#)

[Coming from the North, proceed on IH-10 East to Welfare Exit \(#533\), cross under the IH-10 bridge and then follow the same directions as above.](#)
