

News from the Helotes Heritage Association

Dear Readers,

Please join Mrs. Helen Madla and Rep. David Leibowitz at a press conference at the Helotes City Hall at 6pm on Thursday June 28, 2007 for their appeal to Mayor Schoolcraft to allow the establishment of the Sen. Frank Madla Memorial Park on the 33-acre parcel on Scenic Loop.

As you aware, paying for the park is not an issue. The Texas Legislature dedicated \$1,125,000 to develop a park in the memory of Sen. Frank Madla. \$225,000 has been dedicated by the City of Helotes to purchase the park, and, lastly, over \$120,000 was raised by the community in one week for the specific purchase of the 33-acre parcel on Scenic Loop.

Please join the Helotes Heritage Association in supporting Mrs. Madla and Rep. Leibowitz when they make their plea on Thursday to stop opposition to develop this beautiful, wooded, property as a park in memory of Sen. Frank Madla.

Sincerely,
Ron Green
HHA, President
