

## ***News from the Helotes Heritage Association***

Dear Readers,

Two weeks ago, 80 volunteers came together and planted 64 trees at the Parrigin Park/Playground located at the corner of FM 1560 and Parrigin Rd. Tomorrow (Wednesday April 30) **at 6 pm** there will be a dedication and "soft" opening of the grounds. This will allow kids and families to begin to use the facility as we continue its development.

Please try to come by and attend this wonderful event. This will be Helotes' first park/playground.

Sincerely,  
Ron Green, President  
Helotes Heritage Association
