

News from the Helotes Heritage Association

Dear Readers,

There will be a volunteer workday for the Parrigin Playground located at the corner of Parrigin Rd and FM 1560 at 9:00 am Saturday, October 27, 2007. As you may be aware, this will be the City of Helotes' first park and playground. Providing assistance will be local boy scouts and community groups. All volunteers will be asked to sign waivers. Parents will need to be present for any volunteers under 18 years. Volunteers are asked to wear appropriate cloths and bring work gloves and tools such as rakes, loppers, and shovels.

There will be volunteers with experience from Government Canyon Park present to help guide our efforts. Please contact the City Secretary of Helotes at 695-8877 or Ron Green, Chair of the Parks and Open Space Committee, at 316-9242 with questions.

Sincerely,
Ron Green, President
Helotes Heritage Association
