

News from the Helotes Heritage Association

Dear Readers,

A reminder that the next clean up of the southern end of Scenic Loop Rd and Old Bandera Rd is this Saturday (July 28). We will meet across from Floore Country Store at 8 am to beat the heat and should be done in a little over an hour. Now that we have cleaned the roads a couple of times, it is much easier to clean up. We plan to coordinate our clean up with the Friends of Scenic Loop (FOSL) who will be cleaning up Scenic Loop north of us.

Please join us for an opportunity to spend time with your neighbors and give a little to the community. You too can be in a photo like (left to right) John Eakin, David Galvin, Barney Smith, Barney's mother-in-law, Wayne Owens (in back), Ron Green, Judy Polk, and Nettie, Birnbaum. It really has been a fun time. Hope to see you next Saturday.

Sincerely,
Ron Green
HHA President
