

Seminar on Managing Natural Waterways

News from the Helotes Heritage Association

Dear Readers,

I only today became aware of the seminar described below. This seminar offers an opportunity to become familiar with guidance on being responsible stewards for our valuable and vulnerable waterways.

Debbie Reid, SA City Arborist, wants to get the word out about a chance for excellent training on waterway management. Her contact numbers are Tel. (210) 207-8053 and Fax (210) 207-6073.

City of San Antonio Seminar:
"Managing Natural Waterways"

When: Saturday, April 5, at 9:30 a.m. to 1 p.m.

Where: 1901 S. Alamo (Business and Development Center board room).

Who should attend: (1) Engineers that are responsible for designing and incorporating natural drainage ways into their clients' projects; (2) Agency staff that are responsible for work and maintenance in the creek areas; (3) Citizens interested in understanding the functions and management for the drainage and creek areas; (4) Neighborhood Association members that are responsible for drainage and creek areas maintenance and use.

RSVP at debbie.reid@sanantonio.gov or (210) 207-8265.

Sincerely,
Ron Green, President
Helotes Heritage Association
